C A T E R I N G

2020

2020 bring fresh new menus to Riverdale Manor with a fantastic amount of selections of Thyme & Seasons Catering fare. Familiar and classic menu items with a fresh twist, updated presentations, and more emphasis than ever on flavors that combine beautifully from course to course will make your wedding or special event even more memorable!

Within this packet you will find selections that are combined to create a complete menu for your event. The style of service for your event is the starting point for your menu selections. Seated served meal, stations, or buffet are the most popular formats for weddings. A seated served meal is a classic presentation well suited to formal affairs and accommodates guests of any ability. The meals are pre-selected by your guests in response to your invitation. This style of service requires the least amount of floor space if you are maximizing your guest list. A Buffet Meal can increase the variety of choices of foods that are offered but requires a considerable amount of space in the room. Buffets require three entrees and two or more side dishes. Station Style meal service offers the broadest variety of food and is the most social presentation. Station events require at least three stations, each having at least one entrée and one side dish. Station style events can also limit floor space. Combinations of these styles, such as a served salad followed by a buffet or a seated served meal with a dessert buffet, are often used to help you make your reception unique. Cost differences between Seated Served and Stations are usually small, while Buffets generally require more food and service staff.

Thyme & Seasons Catering includes the cost of all china, glass, and flatware that is necessary for your event. There are modest charges for the china, glassware, etc. for items that are not provided by Thyme & Seasons Catering, such as champagne toasts and wedding cakes. Our professional and courteous staff is ready to serve you and your guests. Each server is billed at an hourly rate of \$33 per hour, and the number of servers that you need depends upon your menu, style of service, and your guest count. There is not any additional gratuity or service charge.

Bountiful choices of patterns, textures, and colors are available for your guest table linens and complementing napkins and buffet table linens. We provide all linens with costs starting at \$18.50 per basic linen and \$.50 per napkin. Flowers, décor, wedding cakes, music, and entertainment are personal decisions, and we are happy to refer you to our preferred vendor list for these things. Our list includes the best in the business at many different price levels. You may select vendors that are not on the list, but they may need to submit insurance or similar information before they can be approved.

We cannot provide the alcohol for beverages, but we can guide you in your selection; and we do provide bartenders and all necessary mixers, supplies, and equipment for your beverages. Please remember that Thyme & Seasons is the exclusive caterer at Riverdale Manor, and that no food or beverages can be brought onto the premises, including the changing suites, without specific permission.
