Your Culinary Canvas: Customized Menus and Service for Memorable Moments

The 2027-2028 season brings fresh, updated menus to Riverdale Manor, featuring Thyme & Seasons Catering's classic dishes with modern twists, enhanced presentations, and a focus on cohesive flavors. This packet offers a range of menu options tailored to your event's style, whether seated, buffet, or station service.

- **Seated Served Meal:** Ideal for formal events, this classic style requires minimal floor space and accommodates guests of all abilities. Meals are pre-selected by guests in advance, based on your invitation. Salads, entrees, and desserts must be provided for 100% of guests, while hors d'oeuvres can be planned for 75% of guests if you include at least one stationary hors d'oeuvres display and three passed options. This style of service is great for maximizing space.
- **Buffet:** Buffets allow for greater variety but need more room. Buffets require at least three entrées and two side dishes and must account for 100% of your guests. Since more food and staff are necessary, buffets generally cost more compared to other service styles.
- **Stations:** Station-style meals offer the broadest variety and encourage a more social atmosphere. At least three stations, each featuring one entrée with accompaniments, are recommended. Like seated meals, stations typically require food for 100% of guests, but they offer flexibility in portion sizes and presentation. Station service can also help optimize floor space.

Combinations of these styles, such as a served salad followed by a buffet or a seated meal with a dessert station, are popular for customizing your reception. While cost differences between seated and station service are generally small, buffets tend to require more food and staffing.

Additional Details:

China, glassware, and flatware are included, with modest charges for items not provided by Thyme & Seasons, such as champagne toasts or wedding cakes. Servers are billed at \$38 per hour, with the number of servers needed based on your menu, guest count, and service style. There are no additional gratuity or service charges.

Linens start at \$22.00 per tablecloth and \$0.75 per napkin, with many options for patterns, textures, and colors to suit your theme. We can also refer you to our preferred vendors for flowers, décor, and entertainment, though outside vendors may need to submit insurance.

Thyme & Seasons does not provide alcohol but offers bartending services, mixers, and necessary supplies. Please note that no outside food or beverages are allowed at Riverdale Manor without permission.

Important: Pricing in this packet is based on current information and may change. Thyme & Seasons reserves the right to accept or reject menus to ensure they meet our standards and your guests' needs.
